

To whom it may concern**Date: 19.09.2026**

I write this letter in order to strongly recommend Nicolas Birrer, who I know since several years. He was my student during the spring and fall semester 2024 at the Institute Digital Communication Environments (IDCE).

Nicolas is a very talented, responsible and hard working person with a very good academic background and exceptional working skills. He carried out his projects with much enthusiasm and commitment.

He is an excellent designer and I am sure he will apply all of his dedication and professionalism to the assigned tasks. Therefore I encourage you to look favorably upon his application.

Please feel free to contact me in case you need further information.

Sincerely

Dirk Koy
